Viking Children

Instead of going to school, Viking children helped with tasks around the home and on the farm. They had to gather wood, berries and fruit from the woods and would learn useful life skills, such as how to cook, how to start a fire and how to steer a boat.

Viking Life

Farms - Vikings lived on farms and kept cows, pigs and sheep for milk, wool and meat.

Houses - Walls made of stone or wood. A straw roof. Wattle and daub (sticks and mud/dung) for the inside of the walls.

Jewellery - Worn to show off how rich a person was.

Pagans - Vikings arrived as **pagans** but eventually converted to Christianity.

Sagas - Vikings used rhyme to tell stories about adventures and battles against monsters.
