1 Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- ▶ Reducing absence, including persistent and severe absence
- ▶ Ensuring every pupil has access to the full-time education to which they are entitled
- ▶ Acting early to address patterns of absence
- ▶ Building strong relationships with families to make sure pupils have the support in place to attend school
- ▶ We will also promote and support punctuality in attending lessons.

2 Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- ▶ Part 6 of the [Education Act 1996](#)
- ▶ Part 3 of the [Education Act 2002](#)
- ▶ Part 7 of the [Education and Inspections Act 2006](#)
- ▶ [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)

- ▶ The Education (Penalty Notices) (England) (Amendment) Regulations 2013
- ▶ It also refers to:
- ▶ Keeping Children Safe in Education
- ▶ Mental health issues affecting a pupil's attendance: guidance for schools

This policy also complies with our trust's funding agreement and articles of association.

3.7 School admin/office staff

School admin staff will

- ▶ Take calls and respond to emails/messages from parents/carers about absence on a day-to-day basis and record it on the school system
- ▶ Transfer calls from parents/carers to the Attendance Officer/ head of year/pastoral lead where appropriate, in order to provide them with more detailed support on attendance
- ▶ Carry out first day calling for children where no reason for absence has been provided.

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- ▶ All natural parents, whether they are married or not
- ▶ All those who have parental responsibility for a child or young person
- ▶ Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- ▶ Make sure their child attends every day/timetabled session on time

3.9 Pupils

Pupils are expected to:

- ▶ Attend school every day, on time

4 Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- ▶ Present
- ▶ Attending an approved off-site educational activity
- ▶ Absent
- ▶ Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- ▶ The original entry
- ▶ The amended entry
- ▶ The reason for the amendment
- ▶ The date on which the amendment was made
- ▶ The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- ▶ Whether the absence is authorised or not
- ▶ The nature of the activity, where a pupil is attending an approved educational activity
- ▶ The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.30 am and ends at 3.15pm

Pupils must arrive in school by 8.45am on each school day.

The register for the first session will be taken at 8.45 and will be kept open until 9.15
The register for the second session will be taken at 1pm and will be kept open until 1.25pm

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by time, or as soon as practically possible, by calling the school admin/office staff, who can be contacted via telephone number and/or email address or by messaging via Arbor In App message service).

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where there are doubts about the authenticity of the illness, the school will ask for absence evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and provides evidence (for example, appointment card, screenshot of appointment reminder etc.)

However, we encourage parents/carers to make medical and dental appointments out of school hours. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence in advance of the requested absence in writing to the school office/Attendance

Officer. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- ▶ Should be taken to the school office by a parent/carer for them to be registered.
- ▶ Before the register has closed will be marked as late, using the appropriate code
- ▶ After the register has closed will be marked as absent, using the appropriate code
- ▶ If persistent lateness to school or lessons is identified, it will be followed up by Justine Roddan The Headteacher. We will work with the pupil and their family to identify the reasons for the persistent absence and offer appropriate support.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- ▶ Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may complete a home visit or contact the Local Authority for support.
- ▶ Identify whether the absence is approved or not
- ▶ Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- ▶ Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the Local Authority.

- ▶ Where the school feels there is a safeguarding concern, they may contact the police or Children's Social Services to carry out a welfare check
- ▶ Where relevant, report the unexplained absence to the pupil's youth offending team officer
- ▶ Where appropriate, offer support to the pupil and/or their parents to improve attendance
- ▶ Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- ▶ Where support is not appropriate, not successful, or not engaged with, the school may issue a notice to improve, penalty notice or action other legal intervention (see section 5.2 below), as appropriate.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.8 above) about their child's attendance and absence levels in various ways throughout the year.

You will be notified on each report that your child receives and at Parent Consultations. This information is always available for you to access via the Arbor app.

Please contact Emma Spencer on 01474 365266 should you wish to discuss your child's attendance further or have any technical issues using Arbor.

5 Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher/head of school will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher/head of school will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- ▶ Taking part in a regulated performance, or regulated employment abroad
- ▶ Attending an interview
- ▶ Study leave
- ▶ A temporary, time-limited part-time timetable
- ▶ Exceptional circumstances

A leave of absence is granted at the headteacher/head of school's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and in accordance with this policy, in writing to the headteacher/head of school. Additional evidence may be required to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- ▶ Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- ▶ Religious observance - where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- ▶ Parent(s) travelling for occupational purposes - this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with

the school, but it is not known whether the pupil is attending educational provision

- ▶ If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- ▶ Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- ▶ Attending another school at which the pupil is also registered (dual registration)
- ▶ Attending provision arranged by the local authority
- ▶ Attending work experience
- ▶ If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- ▶ Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)

- ▶ Whether a penalty notice is the best available tool to improve attendance for that pupil
- ▶ Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- ▶ Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence. The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- ▶ Details of the pupil's attendance record and of the offences
- ▶ The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)

- ▶ Details of the support provided so far
- ▶ Opportunities for further support, or to access previously provided support that was not engaged with
- ▶ A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- ▶ A clear timeframe of between 3 and 6 weeks for the improvement period
- ▶ The grounds on which a penalty notice may be issued before the end of the improvement period

6 Strategies for promoting attendance

Excellent attendance is expected of all students attending Rosherville C of E Academy. We use rewards as well as interventions to promote the importance of attendance. A variety of strategies are used to work with both parents/carers and our students to ensure that any barriers to attending school are removed.

7 Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Rosherville C of E Academy is very proactive in supporting pupils back into school after a lengthy or unavoidable period of absence. A variety of strategies will always be tried which include. Breakfast club, soft start rooms, part time timetables, pastoral team support, staggered starts and the use of the School Dog Mentor

7.2 Pupils absent due to mental or physical ill health or SEND

Rosherville C of E Academy is very proactive in supporting pupils back into school after a lengthy or unavoidable period of absence. A variety of strategies will always be tried which include. Breakfast club, soft start rooms, part time timetables,

pastoral team support, staggered starts and the use of the School Dog Mentor and access to Talking Therapies.

Where a pupil has an education health and care plan (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that are related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Rosherville C of E Academy is very proactive in supporting pupils back into school after a lengthy or unavoidable period of absence. A variety of strategies will always be tried which include. Breakfast club, soft start rooms, part time timetables, pastoral team support, staggered starts and the use of the School Dog Mentor and Talking Therapies.

8 Attendance monitoring

The Attendance Officer monitors pupil absence daily.

Parents and carers are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

Parents are expected to contact the school every day before time if their child is absent from school.

The school will always contact parents/carers on the first day of absence (first-day calling).

If after contacting parents/carers a pupil's absence continues, we will consider involving a School Liaison Officer from Kent County Council.

Local Authority Action may include:

- Attendance Improvement Meeting
- Home visits
- Liaison with other agencies
- Fast Track to Prosecution

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

The severe absence threshold is 50%. If a pupil's individual overall absence rate is greater than or equal to 50%, the pupil will be classified as a severe absentee. At this point, contact will be made with external agencies and Children's Social Services.

Pupil-level absence data is collected and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average and share this with governors.

Attendance data is used for monitoring and tracking to identify individual pupils or groups whose absence may be a cause for concern. This enables us to monitor closely and support necessary improvement.

Timeline of School Action for Poor Attendance

- 90 - 96% attendance - Attendance Officer/Community Leader to investigate and notify student/parent/carers of concern. School intervention including letters and meeting with parents along with considering Penalty Notice or Early Help Notification.
- Below 90% - Where the absences have not been authorised, consult with the Local Authority School Liaison Officer and a referral to PRU, Inclusion and Attendance Service may be considered.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The Trust/school will:

- ▶ Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- ▶ Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- ▶ Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- ▶ Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- ▶ Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

8.3 Using data to improve attendance

The Trust/school will:

- ▶ Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- ▶ Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- ▶ Provide regular attendance reports to class teachers/form tutors, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- ▶ Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- ▶ Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of

becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the Trust/school's strategy for improving attendance.

The Trust/school will:

- ▶ Use attendance data to find patterns and trends of persistent and severe absence
- ▶ Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- ▶ Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- ▶ Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- ▶ Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- ▶ Implement sanctions, where necessary (see section 5.2, above)

9 Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Headteacher. At every review, the policy will be approved by the full [board of trustees and the local governing body].
