

27th June 2025

Dear Parents/Carers,

We had a fantastic Sports Day yesterday and I would like to begin by congratulating all of the children for their brilliant effort, determination and teamwork throughout the events. It was a joy to see such enthusiasm and good sportsmanship on display.

A huge thank you to all the parents and carers who came along to cheer the children on—and well done to those who joined in the parents' race too! Your support and involvement helped to make the day extra special.

I'm pleased to announce that the results were incredibly close, but Fire House were the overall winners—well done to them! ❤️🏆

Special thanks go to Miss Collcutt for organising our Sports Day and to Mr Knight and Mr Sandhu, for running the day's events. Thank you also to the pupils from St George's who supported us so brilliantly throughout. We are also very grateful to all of our staff and volunteers who helped to make the day run so well.

It was a true celebration of team spirit, resilience and fun—thank you to everyone involved!

Hot weather

With the forecast for next Monday and Tuesday looking to be incredibly warm, we have taken the decision to allow pupils to come to school in their PE kits on these days. This will help to ensure they remain as comfortable as possible in the heat. Please note that this is not a non-uniform day — pupils must wear their school PE kit, not other sports clothing. At Rosherville, we value our uniform as an important part of our school identity, and we thank you for your support in maintaining our high standards.

School Reading Books

Do you have any school reading books at home that you have forgotten to return? If so, please hand them into the school office so we can look at our stock and order appropriately for next academic year. *This does not include the book your child is currently reading.*

Breakfast Club

Please note that children cannot be admitted to Breakfast Club after 8:15am. This is to ensure that all pupils are safely registered, appropriate staffing ratios are maintained, and that children have sufficient time to enjoy their breakfast before the start of the school day. Any children arriving at school between 8:15am and 8:30am (when the core school day begins) will not be supervised by school staff. During this time, pupils remain the responsibility of their accompanying adult until the school gates open at 8:30am.

New Reception pupils for September 2025

We look forward to welcoming our **new September 2025** Reception pupils and their parents for a Teddy Bears' Picnic on Wednesday 2nd at 2pm. This an opportunity for our new pupils and their families to meet the staff and join our community.

Classes for next year

Your child will have the opportunity to meet their new teacher on Friday 4th July during our transition day. Following my letter to you all earlier today, sharing the disappointing news of the delayed opening of our new school site on Crete Hall Road, we have taken the difficult decision to remain with split year group classes next year (due to the space at our current site). To avoid further disruption, the current split year group classes (Donaldson and Dahl) will move up to their next teacher within these classes. Year 1/2 will move to be a Year 2/3 class and current Year 2/3 will become a Year 3/4 class. This is to ensure consistency and coverage of the curriculum and to support a smoother transition for these pupils. This will result in us also having a Year R, Year 1, Year 5 and Year 6 class next year.

Unfortunately, there will be no forest school on Friday 4th July as Mr Stanton is unavailable on this day.
