

11th July 2025

Dear Parents/Carers

As we move into the final weeks of the academic year, there is a real buzz of excitement around the school. With trips, celebrations, and special activities taking place, it's a joyful time as we reflect on the year gone by and look ahead to all that's still to come.

Statutory Inspection of Anglican and Methodist Schools (SIAMS) Inspection

We are pleased to share that yesterday we welcomed a SIAMS (Statutory Inspection of Anglican and Methodist Schools) inspector into school. While we are unable to share the outcomes until the official report is published in the new academic year, we would like to extend our sincere thanks to all the parents and pupils who took the time to speak with the inspector. Your contributions helped to showcase the many wonderful things happening at Rosherville and the strong sense of community that underpins our school.

PE Kit for Next Academic Year

We wanted to make you aware of a recent correction to the Mapac website regarding our PE kit. A navy-blue sports t-shirt was listed in error. **From September, children may wear either a plain white t-shirt or a plain t-shirt in their house colour for PE lessons.**

We have been attempting to resolve this and have today been informed that Mapac will update their website to reflect this by Tuesday 15th July. As with all uniform items, the school logo is not a statutory requirement, so plain t-shirts can be purchased from any suitable shop.

As the free delivery to school option is no longer available before the end of term, children may wear a plain t-shirt in September until this option is available again. We apologise for the inconvenience and thank you for your understanding.

Lost money

We have had some money handed into the school office that has been dropped outside of the school. If you think this may be yours, please come into the school office to speak to Mrs Martin to share the details of the money that has been found.

Study Bugs and Attendance

We're encouraging all parents and carers to download the free StudyBugs app – our new, secure system for reporting your child's absence due to illness. Using StudyBugs helps us manage absence reporting more efficiently and ensures messages are received promptly.

As we draw closer to the end of the school year, there are still lots of exciting events, celebrations, and valuable learning opportunities taking place across the school.

We kindly remind families that **good attendance remains important**, right up until the final day of term. Every day counts – and we don't want anyone to miss out!

Our school attendance target is 96%.

Congratulations to Rauf, Dahl and Zephaniah class for achieving over 96% this week!

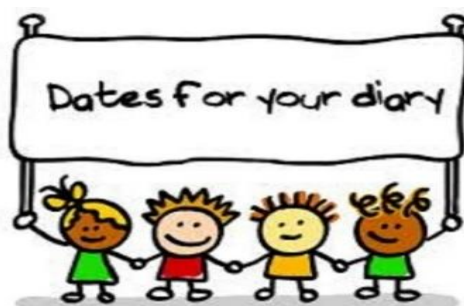

Download the Studybugs app
for reporting your child's absence.

A quick and secure way to report absence due to illness and send messages to school.

Studybugs +
