

26th September 2025

Dear Parents/Carers,

We are now well into the autumn term, and it has been lovely to see the children settling into routines and embracing the opportunities that this time of year brings. From exciting class projects to preparations for upcoming events, there is a real sense of energy around the school as we move through the weeks ahead together.

School Photographer

Our photographer will be in school on **Wednesday 1st October** to take individual children's photos. There will also be an opportunity for siblings to be photographed together. Please ensure that children are in **full school uniform** and looking their very best! If they have PE on this day, please have your child wear their full school uniform and bring their PE kit in a bag on this occasion.

Appointment Reminder

Please see below from our school Attendance policy: *Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer **notifies the school in advance of the appointment and provides evidence** (for example, appointment card, screenshot of appointment reminder etc.) However, we encourage parents/carers to make medical and dental appointments **out of school hours**. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.*

Correction: Phonics Session

Please note that the Phonics session on **Tuesday 7th October at 2:40pm** is for **Reception parents**. We apologise for the earlier communication stating it was for Year 1 parents. A separate session for Year 1 will be held later in the year.

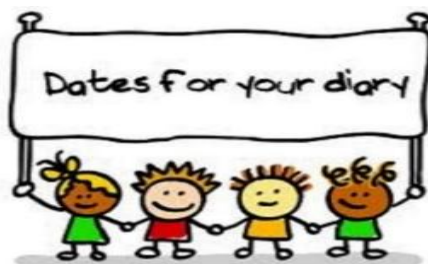

Attendance Matters

Every student. Every day.

Attendance Matters

Every day at school counts! Children with regular attendance have the best chance to learn, make progress, and feel confident in their lessons. Research shows that children who attend at least 96% of the time achieve higher outcomes and get the most from their learning.

Well done to Morpurgo and Dr. Seuss class for both achieving 96% attendance this week.
