16th January 2026

Dear Parents/Carers,

Welcome to our second newsletter of the year. We are also pleased to share that this is our second newsletter available to listen to on our website. We hope this helps more families access our school news and feel informed about what is happening at Rosherville. Thank you for your continued support.

Prefer to listen? Our New Audio Newsletter

We are now recording our newsletter for parents and carers to listen to if they prefer. Every week, the link to our website where the audio is saved will be at the top of the newsletter for you to click and choose the most recent recording. We hope this will help parents and carers to access the newsletter in a way that works for them.

Attendance Officer

We would like to welcome Mrs Basra to Rosherville. Mrs Basra is our new Attendance Officer. She comes with a wealth of experience in supporting students and families to have good attendance at school. Mrs Spencer is still a member of staff; however she will be focusing more on family support, parental engagement and pastoral support. If you would like to make a meeting with Mrs Basra to discuss your child's attendance or ways that we can support you as parents, please speak to a member of office staff to make an appointment or email her on basrak@rosherville.kent.sch.uk

Medical Appointments

If your child has a medical appointment, please let the school office know as soon as possible. For non-emergency appointments (such as routine dental, eyesight check-ups), please aim to book these in school holidays or outside of school hours. For any appointments during school time, we do ask for advance notice and a copy or photo of the appointment letter or message. This can be emailed to the school office on office@rosherville.kent.sch.uk or a copy shown to our Attendance Officer, Mrs Basra or the school office staff. This helps us keep our records and registers accurate and reduce disruption to learning. Thank you for your support.
